

UCLA Labor and Workplace Studies Minor

FALL 2017 COURSES

APPROVED COURSES: Automatically counts towards the Labor and Workplace Studies Minor.

Title and Description	Number	Professor	Day & Time
<p>Introduction to Labor & Workplace Studies</p> <p>Assumptions about work (why some work is favored, whether those with good jobs really are better people than those without, and how this understanding of work and value) came to be common sense. Unpacking of these assumptions about work, value, and power, with focus on low-wage workers, their communities, and their place in contemporary society.</p>	<p>LBR&WS 10 <i>Fulfills General Education & Diversity Requirements</i></p>	Valenzuela & Wong	MW 2:00P-3:50P
<p>Introduction to Social Movements and Labor in Los Angeles</p> <p>Concepts of social justice, social movements, and workers and labor issues in context of global city of Los Angeles. In-depth examination of experience of workers and role of labor movement in Los Angeles, both historically and currently. Topics include changing organization of work in U.S. and reconfiguration of employment relationships; response of labor movement, historically and in present; way in which organized labor has handled issues of class, race, ethnicity, gender, and immigration status; and challenges facing workers in 21st century and their institutional responses in L.A.</p>	<p>LBR&WS 101 <i>Fulfills Diversity Requirement</i></p>	Rivera-Salgado	MW 10:00A-11:50A
<p>Race, Gender, and U.S. Labor</p> <p>Introduction to history and organization of labor movement in U.S. and North America. Discussion of race, class, and gender issues raised within movement, and various strategies for social change and economic equity pursued through organized labor and other means.</p>	<p>LBR&WS M128 CHICANO M128</p>	Abrego	M 7:30A-10:50A
<p>Los Angeles Labor and Social Science Research Principles, Methods, and Practices</p> <p>Introduction to basic social science research methods. Combination of lectures, readings, and participation in hands-on research project to develop understanding of critical debates regarding role of research in socioeconomic context that impacts workers and communities at large.</p>	LBR&WS 181	Guarneros	M 3:00P-5:50P
<p>Diversity at Work: Race, Gender, and Citizenship in Making of U.S. Working Class</p> <p>Exploration of how experience of working people in U.S., and their participation in social movements, have been shaped by stratification of workplace by race, gender, and citizenship status. Analysis of historical roots of social inequality in U.S., and 2 different worker-led movements to create more equitable and democratic social system: labor movement campaign for social wage for all citizens, and immigrant rights movement for labor rights as human rights.</p>	LBR&WS 188, SEM 1	Griffey	T 3:00P-5:50P
<p>Working it: Women in the Labor Force</p> <p>Using film, memoir, and traditional forms of scholarship, examination of experience of working women in U.S. history from 19th-century midwives to 21st-century sex workers. Through social historical lens, exploration of lives and work of women from variety of intersectional categories including class, race, ethnicity, sexuality, and family status.</p>	LBR&WS 188, SEM 3	Espino	T 12:00P-2:50P
Labor Economics	ECON 150	Osei Twumasi	TR 5:00P-6:15P
Asian Americans and the Law	ASIA AM 113	Kwoh & Wong	W 4:00P-6:50P
